# Clackamas Fire District #1

visit our web site: [www.clackamasfire.com](http://www.clackamasfire.com)

SAFETY

TIP

## INSTALL SMOKE ALARMS

In Every Home • In Every Bedroom

Outside Each Sleeping Area • On Every Level Of Your Home

The Presence of a smoke alarm alone does not guarantee fire safety – It must work!

Test your smoke alarms monthly. Replace old smoke alarms.

Smoke Alarms ten years or older need to be replaced.

For more information on Fire Prevention please call 503-742-2660
