Community is our Business

As a community focused organization, we support and connect Happy Valley business owners and bring attention to their businesses, attractions and upcoming special events in Happy Valley.

We're passionate about maintaining a great place to live and work, and strive to promote a healthy business network, sustainable relationships and economic growth with community partners who share our interest in contributing to the livelihood of the greater Happy Valley area.

The Happy Valley Business Alliance (HVBA) encourages businesses from around the area to connect with each other to share ideas, resources and experiences. Monthly meetings are held on the 4th Wednesday of each month at 7:30 am at the New Seasons Market in the Happy Valley Town Center where updates from the City of Happy Valley are provided and a special speaker discusses a topic of local importance. Fresh coffee and pastries are provided.

Do you know your neighborhood business partners? One of the best ways to connect with other local businesses and people in Happy Valley is to become a member of the HVBA. Not only can members get involved in community events through sponsorships or resource sharing, we create opportunities for business owners to meet and get to know each other. The HVBA is open to any business doing business in the city of Happy Valley and surrounding areas.

For more information about the HVBA, please visit www.hvba.biz or look for us on Facebook and Twitter.
